

# Tackling Neglect in Sussex

## Pan Sussex LSCB Conference

Monday 27 November 2017

Brighton Town Hall 0900 – 1630

Bringing together Safeguarding Agency Partners to consider how we “Prevent, Intervene & Protect” from Neglect, while still supporting the families we work with.

- To consider how the safeguarding systems impact on the child or young person involved when agencies become involved
- To reflect on the timing and effect of professional intervention
- To gain an awareness of the methods used by families to conceal non engagement
- To gain an overview of what neglect strategies are currently in place across the Local Authorities in Sussex
- To consider ways in which we could link working practice across Sussex to improve outcomes for children

To view the full programme/speakers & book your place visit your local LSCB website
